Professional Summary

Motivated Computer Science Engineering undergraduate seeking opportunities to apply Artificial Intelligence, Machine Learning, and Software Development skills in real-world projects. Passionate about building innovative AI-driven solutions and continuously learning emerging technologies while contributing to organizational growth.

Education

SAMPOORNA GROUP OF INSTITUTIONS, BANGALORE SOUTH	2023–2027
Bachelor of engineering in computer science engineering	CGPA: 8.61(CURRENT)
KLE GIRLS PU COLLEGE, RANEBENNUR	2020–2022
Pre-university course (PCMB)	69%
SRI S SHIVANANDA HIGH SCHOOL ,SUNAKALLABIDARI , RANEBENNUR TALUK ,HAVERI DISTRICT	
SSLC	2017-20(91.84%)

Technical skills

Languages: Python, C ,HTML, CSS, Java

AI & ML: Artificial Intelligence, Machine Learning, Computer Vision, NLP, Image Processing

Operating System & Tools: OpenCV, GitHub, Jupyter Notebook, VS Code, Hugging Face Transformers,Kali Linux

Core Subjects: DBMS, Operating Systems, Computer Networks, Data Structures

Soft Skills: Teamwork, Leadership, Communication, Problem Solving

Areas Of interest: Artificial intelligence, machine learning, computer vision, cybersecurity

Academic projects

1.Sign Language Recognition Using Python | Python, OpenCV, Computer Vision

- Developed a real-time sign language recognition system using Python and OpenCV.
- Captured and processed hand gestures through webcam input.
- Applied computer vision techniques for gesture detection and classification.
- Improved accessibility for hearing and speech-impaired individuals.

2Automatic Image Captioning | Python, BLIP, Hugging Face Transformers, NLP

- Developed an AI-powered image captioning system that generates meaningful captions from images.
- Integrated Computer Vision and Natural Language Processing techniques.
- Utilized pre-trained transformer models for image understanding and text generation.
- Improved understanding of deep learning and AI-based applications.

Certifications

- AI Skills Passport- EY& Microsoft(2025)
 - Full Stack Web Development Internship program -Edureka(11th march 2025)
 - AWS Foundations :Machine Learning Basics-AWS&Simplilearn SkillUp(13th feb 2026) CI:9838394
 - AINCAT 2026 -Naukri Campus CI:6a1989cee34d6b76d039d9ba
 - Networking and Cybersecurity -TechAcademy -Sampoorna Institute of Technology
-

Achivements

- Maintained a CGPA of 8.61 in B.E. Computer Science Engineering.
- Successfully completed AI Skills Passport Certification by EY & Microsoft.
- Developed AI and Computer Vision-based projects.
